Program Descriptions

Religious Music: A half hour of religious music from various denominations featuring a wide array of artists and composers.

Catholic Perspective: A half hour news show featuring reports on current religious topics and world issues as seen from the Catholic Perspective.

Luthern Hour: The world's most widespread, religious radio broadcast featuring a timely sermon mixed with up-beat Christian music. The show is also one half hour in length.

Protestant Hour: Speakers from the Protestant Radio and TV Network deliver special messages, and world renowned choirs fill the halls with favorite spiritual hymns in this half hour program.

Baptist Hour: A half hour program containing contemporary Christian artists offer messages dealing with current issues in society.

Powerline: This show features songs from the top of the contemporary hit lists and gives them new meaning to uplift the human spirit. In addition, there is a response to a listener with a personal trial. This program runs for one half hour.
